POLLING DAY: Important information

As many of you will be aware a General Election must be held before January 2025, whilst at this stage we don't know for certain the exact date, we anticipate that it will either be held on the scheduled election date on 2nd May 2024, or more likely, later in the year, potentially autumn/winter as recently expressed by the Prime Minister.

Please accept this as notice that the authority wishes to use our school as and when the General Election is called, for a polling place.

Unfortunately, elections law stipulates that only 25 days' notice must be given for a General Election. It is therefore highly likely that there will only be a very short notice period for informing you that the school will be required as a polling place.
